Objective

Aspiring Data Engineer with a strong interest in data, databases, and analytics. Looking for an opportunity to apply my skills, learn from industry professionals, and contribute to data-driven solutions.

Projects

AgriTrust: A Farm-to-Restaurant Supply Intelligence Platform

Tech Stack: MongoDB, React, Express.js, Tailwind CSS, Python

- Developed a platform connecting farmers and restaurants for product listing and order management.
- Integrated crop recommendation and chatbot features to support farmers with data-driven decisions.

VeriTest: AI-Driven Test Automation and Compliance Reporting Platform

Tech Stack: Python, Selenium, React, NLP, Mysql

- Developed an AI-based platform that converts software requirements into automated Selenium test.
- Built a React dashboard to monitor test coverage, execution logs, and compliance metrics.

Voice-based Technical Evaluator

Tech Stack: Python, Flask, Whisper ASR, Sentence Transformers, NumPy, Pandas

- Designed and deployed an AI powered oral assessment tool that evaluates spoken answers by comparing user responses with reference answers, providing instant scoring and meaningful feedback.
- Built a web interface for recording answers, viewing transcripts, replaying audio, and semantic scoring.

Education

2024 - 2026 **Master of Computer Application** at NMAMIT, Nitte (CGPA: 9.10)

2021 - 2024 **Bachelor of Science** at PoornaPrajna College, Udupi (CGPA: 9.11)

Technical Skills

Programming Languages: Python, Java, SQL, C, JavaScript
Databases: MySQL, MongoDB
Frameworks & Technologies: .NET, React.js, Node.js
Tools & Platforms: Microsoft Excel, Git, GitHub

Experience

Information Technology Intern at Manipal Technologies Limited Dec 2025 – May 2026

- Worked as part of a team in developing a .NET-based web application during the internship. Assisted in implementing features for employee request management, service tracking, and data handling.

Certifications

- **AWS Cloud Technical Essentials** COURSERA
- **Docker Essentials: A Developer Introduction** IBM
- **Networking Basics** CISCO
